Taking care of hearts while taking care of business

Trey Yates is a Board Certified Family Law Attorney by the Texas Board of Legal Specialization. Since 1986, he has served the residents of the Greater Houston Metropolitan Market in the areas of divorce, complex marital property division, child custody disputes, will contests and guardianship litigation, as well as marital property and estate planning.

Yates is a Certified Attorney Mediator and is trained in Collaborative Law, which helps divorcing couples reach settlement agreements without involving the Court.

In 2011, Yates created the now popular, educational seminar series called *The Guide to Good Divorce*. Designed to help women effectively proceed through the divorce process toward a fuller, happier life, the seminars offer guidance from uniquely qualified experts on what Yates calls the *Five Keys to a Good Divorce* — strong legal representation, divorce financial planning, life skills refresh, and physical, emotional and spiritual wellness.

BRINGING NATIONAL AND GLOBAL SOLUTIONS FOR MASS DISASTERS WORLDWIDE

When clients hire us, they want results and they want them **NOW**. Every client's case is important to us. At Weller, Green, Toups & Terrell, L.L.P., we know we cannot rest on past successes. We must act **NOW**, as our clients need **RELIEF** now.

In 2016, as lead counsel, **Mitchell Toups** delivered **RELIEF** to approximately 5,000 BP clients in one of the largest class settlements in history with BP. **Toups** represents fishermen, businesses and individuals along the Texas Gulf Coast.

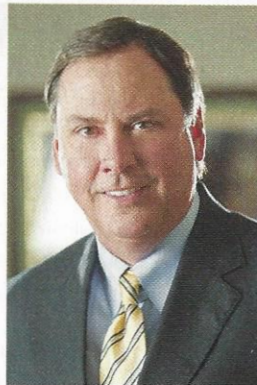

After one of the worst railroad accidents in the history of Quebec, Canada (2013), where 47 people were killed and a town was virtually destroyed, the families of many of the victims called on **Toups** to represent them and their businesses that were lost. Most of the cases settled in 2016.

Toups represented more than 100 victims in federal court in New York (2016-2017) for their claims regarding the GM ignition switch failures, which resulted in GM entering a guilty plea to a criminal complaint.

Our clients know they can count on **Toups** for not only his legal skills, but the ability to put the right team together to provide **JUSTICE. It is what we do.**

Toups is board certified in Civil Trial Law and Personal Injury Trial Law by the Texas Board of Legal Specialization; board certified in Civil Trial Law and Pre-Trial Procedures by the National Board of Trial Advocacy; and AV rated by Martindale-Hubbell. **Toups** practices class actions, mass torts, false claims and commercial litigation on a national and international basis.

Toups is licensed to practice in **Texas** and **New York**. We are ready nationwide and worldwide at any time.
