## Taking care of hearts while taking care of business

Trey Yates is a Board Certified Family Law Attorney by the Texas Board of Legal Specialization. Since 1986, he has served the residents of the Greater Houston Metropolitan Market in the areas of divorce, complex marital property division, child custody disputes, will contests and guardianship litigation, as well as marital property and estate planning.

Yates is a Certified Attorney Mediator and is trained in Collaborative Law, which helps divorcing couples reach settlement agreements without involving the Court.

In 2011, Yates created the now popular, educational seminar series called *The Guide to Good Divorce*. Designed to help women effectively proceed through the divorce process toward a fuller, happier life, the seminars offer guidance from uniquely qualified experts on what Yates calls the *Five Keys to a Good Divorce* — strong legal representation, divorce financial planning, life skills refresh, and physical, emotional and spiritual wellness.
